

STREET RACKET

MULTI-AWARD-WINNING SWISS MOVEMENT & EDUCATION CONCEPT

Our mission:

- Promoting racket sports, healthy physical activities and motorskill development for ALL
- Turning outdoor and indoor areas into fun and versatile sports grounds for sustainable use at very low costs: Schoolyards, public and private spaces, parks, parking lots and many more
- Creating a sustainable and global movement at the grassroots level: No infrastructure, no maintenance, no waste of time, no barriers
- Fighting widespread problems such as obesity, inactivity, diabetes, short-sightedness as well as inequalities and social isolation
- Supporting the global sustainable development goals (SDGs)

**Anyone - Anytime – Anywhere:
Let's rock the street!**
